REASONS FOR ALLOWANCE/COMMENTS

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after allowance or after an Office action under *Ex Parte Quayle*, 25 USPQ 74, 453 O.G. 213 (Comm'r Pat. 1935). Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, prosecution in this application has been reopened pursuant to 37 CFR 1.114. Applicant's submission (IDS) filed on 4/18/05 has been entered.

Priority

2. Acknowledgment is made of applicant's claim for foreign priority based on an application filed in Germany on 10/08/2001. It is noted, however, that applicant has not filed a certified copy of the German application as required by 35 U.S.C. § 119(b). Because this application is a Continuation of a PCT application and not a National Stage (Rule 371) application, the international bureau will not send the priority document, and Applicants must provide the certified copy of the German application to perfect their claim for foreign priority.

Allowable Subject Matter

3. The following is an examiner's statement of reasons for allowance:

After considering the prior art references supplied with the IDS received with the RCE on 4/18/05, it is still considered that the prior art of record does not disclose or fairly suggest a bulk acoustic wave (BAW) resonator or filter, or a method of making

Art Unit: 2817

such a BAW resonator, having each of the specifically recited features, including each of the recited electrodes and piezoelectric layers with the recited orientations, all in the arrangements recited, and especially including the piezoelectric layers that are "spaced apart" (see claim 1, lines 11-13; claim 9, lines 12-14; and claim 11, lines 7-10).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
